# Have your say, we're listening

Auckland is growing and we need to provide more efficient and safer choices to move around this wonderful place we all call home.

This is your opportunity to tell us what you think about the draft 10-year plan for Auckland's transport network. It's called the Regional Land Transport Plan (RLTP) and it will make improvements to:

Travel choices for Aucklanders

- Public transport
- Walking and cycling

Our road network

Road safety

Environmental outcomes

Support growth and new housing developments

The RLTP also outlines the proposed 10-year investment programme for specific transport projects.

## You can help shape the future of our region
